

WANT TO JOIN A SMALL AMBITIOUS SYNDICATE?

An opportunity exists to have an affordable share in a horse with one of Ireland's most exciting new trainers.

With a 17% win rate and a further 16% placing from his first year in training, Richard O'Brien will train the horse for us to be campaigned on the all-weather at Dundalk this winter.

We are looking to buy a horse at the Tattersalls Horses in Training sales for under **£10,000**.

That means your expected initial outlay will be around **£500 for 5% or £1000 for 10% with ongoing monthly costs of £100 for 5% or £200 for 10%.**
